

Dr. Christopher Morris

Christopher D. Morris DDS, MD, FACS is a board certified oral maxillofacial surgeon whose surgical focus is on restoration of the aesthetics and function of the face and mouth.

Dr. Morris attended Loma Linda University School of Dentistry, where he obtained his dental degree (D.D.S.) and graduated #1 in his class. He then went on to receive his medical degree (M.D.) from the University of Texas Southwestern Medical School. He

completed 6 years of residency in Oral and Maxillofacial Surgery, including an internship in General Surgery and a Chief Resident year in Oral and Maxillofacial Surgery at the University of Texas Southwestern Medical Center. Several years after his board certification in Oral and Maxillofacial Surgery, he was inducted as a Fellow of the American College of Surgeons (F.A.C.S.).

Did you know?

- ◆ Dr. Morris has published peer-reviewed articles and textbook chapters on subjects ranging from facial anatomy, nerve injury and management of pediatric and adult maxillofacial trauma.
- ◆ His most recent text on the surgical anatomy of the face, mouth and jaws was published in an Atlas of Oral and Maxillofacial Surgery.

Dr. Morris lives in Katy with his family. He enjoys spending time with his wife Suzie and their two young children, Sophia and Ian.
